

# Princess Parties

Disclaimer: Due to Federal copyright restrictions, Fun Times does not have the actual characters that you see in print or on the screen. Instead, we use top-level professional costumes to do tribute to those characters to enhance the theme of your party. We do these character tributes free of charge with our regular paid programs. Although we may look and act like your character choice, we are actually only professional entertainers not have the real, actual, copyrighted characters.

**We do tributes to the following list of characters:**

*Cinderella – Elsa – Barbie – Rapunzel – Generic Princess*

The Princess shows up at the party escorted by a generic prince or an entertainer in brightly colored attire. They can perform the following items: sing-along program – dance program – magic show- photo time – balloon sculptures – face painting – making beaded princess jewelry – temporary tattoos.

**To help you determine how long you will need for us to entertain at your party the following is a realistic guide:**

Sing-along program: (sing to music popular children's songs) 20 minutes

Balloon sculptures: 2 minutes per child

Temporary tattoos: 1 minute per child

Magic show 15 to 20 minutes

# Princess Parties

Photo Time with the princess 15 to 20 minutes

Face painting: 2 and 1/2 minutes per child

Making princess jewelry 3 minutes per child

Dance program 20 minutes (dancing to party songs and line dances)

Note: Some of these performance items can be done at the same time. Contact Fun Times for details.
